

**Delaware Concussion Protection in Youth Athletic Activities Act (CPYAAA)** will take effect on September 6, 2017. The purpose of the act is to protect minors participating in athletic activities who manifest symptoms of concussion, increase recognition of the symptoms of concussion through training and education, and establish standards for return to play.

DYSA recognizes the need for increased awareness about concussions, head injuries and brain trauma. In order to assist our administrators, coaches, referees, parents and players, a number of resources are being made available. The links below are to information provided by the Centers for Disease Control. Their "Heads Up: Concussion in Youth Sports" initiative gives facts about concussions, signs and symptoms, suggestions for prevention and treatment. Please take some time to familiarize yourself with this information....
